

Satellite Symposium at Istanbul Medipol University

Join us for an exciting day of exploration and hands-on experience at our Satellite Symposium hosted by Istanbul Medipol University. This event will take place on the 8th of June at our South Campus, promising a unique blend of expert insights, innovative technologies, and immersive sessions.

Morning Symposium Highlights:

Selected Speakers: Engage with renowned experts in biosensor and imaging technologies during our special morning symposium.

Zeiss Industrial Symposium: Gain valuable industry perspectives with a dedicated session by Zeiss.

Afternoon Hands-on Experience Sessions:

Limited Attendees: Only 50 spots available, prioritizing early career researchers.

Diverse Sessions: Choose and participate in two out of five hands-on sessions, featuring cutting-edge topics such as:

1. High-resolution cell injury with laser ablation and simultaneous Calcium and ATP imaging by Dr. Esra Nur Yiğit.
2. Real-time imaging of Hydrogen Peroxide using wide-field techniques by Dr. Emrah Eroglu.
3. 3D-light-sheet imaging of brain tissues and tissue clearing techniques by Dr. Mehmet Şerif Aydın.
4. Stereo fluorescence imaging of vessels in ovo using genetically encoded biosensors led by Asal Ghaffari Zaki and Dr. Theresa Balber.
5. High-content screening seahorse imaging for energy metabolism with industry experts and Şeyma Kablan.

SABITA Tour and Social Activity:

SABITA Exploration: Take a guided tour through our esteemed institute's facilities, including the Regenerative and Restorative Medicine Center, Cancer Center, Omics Center, and Drug Development Center.

Social Activity: Conclude the day with a delightful gathering at Küçüksu Pavilion, followed by dinner overlooking the stunning Bosphorus.

Registration Details:

Date: 8th June

Venue: Istanbul Medipol University South Campus

Morning Treat: Middle-Eastern breakfast will be provided before the symposia.

Registration: The program is free for registered and selected attendees, excluding the social activity and accommodation.

Contact: For registration and more information, reach out to Emrah Eroglu at emrah.eroglu@medipol.edu.tr and for more information about SABITA visit <https://sabita.medipol.edu.tr/>

Embark on a journey of discovery, innovation, and networking at our Satellite Symposium. Secure your spot, connect with peers, and immerse yourself in the latest advancements in biosensor and imaging technologies. We look forward to welcoming you to this enriching event!
